ALL STUDENTS MOVING FROM 90 HOUR to 79 HOUR:

1)  Must complete all of Section I coursework (see above)
2)  Can use any of Section II courses to fill electives (see above)
3)  Must complete a minimum of 4.5 hours of CTX courses-can be a combination of Preparing for Local Ministry I & II, Ministry in Context, Reflection on Ministry I & II, Practica, and Ministry Collaboration Groups [Note: Those who completed ELM curriculum must complete an additional .5 hours of CTX.]

CLARIFICATIONS REGARDING APS COURSES

1)  Students who have taken only one APS course must complete the Mid Degree and Summative Assessment or finish out the 90 hour curriculum (the APS course will count as an elective or an overage)
2)  Students who have taken two APS courses should finish in the 90 hour curriculum, as they will likely delay graduation in order to complete the new degree requirements.
3)  APS 425 will be offered in Fall 2014. Beginning in Spring 2015, the APS requirement will be fulfilled by choosing a course from an approved list of one or more advanced courses. These APS equivalencies will be clearly identified at each registration period. For students in the 79 hour curriculum, they will fulfill upper level requirements or electives.
