THL 450 Pre-Assignments

1) Write a critical review of Andrew Root, Bonhoeffer as Youth Worker, chapters 11, 15, and 16, I. The first part I (3-5 pages);

2) Write a constructive thesis for your approach to ministry (Youth and/or adult) of your congregation in part II (3-5 pages).

This may also be helped if you read other texts by Bonhoeffer. Be sure that you become familiar with the life story of Bonhoeffer.

Looking forward to being with you in class in August.
