REVISED 4/25/2022

SYNCHRONOUS classes run in real time, with students and instructors attending together at the same date and same time from different locations via ZOOM.

ASYNCHRONOUS classes run on a more relaxed schedule, with students accessing class materials on Moodle during different hours/locations, but within a set date/time frame.

*If you take more than four (4) classes within a calendar year, combining all schools and locations, you will need to get APPROVAL from your DS and LPR / BOM using the "Request to Take Extra COS Classes" form.

ONLINE FORUMS in MOODLE - SUMMER 2022 TERM: This will cover 2 weeks when instructors will engage with students by posting 1 TO 2 Forums per week. Each of the 2 forums should invite reflection on course material for the week, and/or personal practical applications, and/or questions regarding assignments. *Word count for the initial individual posts in each forum to be around 250 words.* Follow up post responses to classmates and/or instructor should be around 50 words.

- o **FORUMS** may be arranged to elicit student responses to any or all the following: Course textbooks, instructor narrated PowerPoints, links to videos or web sites, personal practical applications, questions regarding upcoming assignments. The instructors may provide each forum with a question or two to help students focus on the material. This work does not replace assignments.
- o Students engage these forums inside of the Moodle class by making individual **initial posts or 250 words** in response to the forum topics: course texts, narrated PowerPoints, videos, or other material. They then **respond** to initial posts by **two other students** in each of the one to two forums each week, **responding with 50 words**.
- o Forum initial individual posts by students must be made no later than **Wednesday by 11:59PM** each week, per the indicated weeks depending on your class, to allow students to write at least **two response posts to their classmates by Friday by 11:59PM CST weekly**.
- o Forum postings on time will count and be **graded** as class participation and **attendance**.
