

Using the KC Towers Catalog

The primary catalog you will search to find books in the Kansas campus library, or books from other libraries that you can request to checkout is the KC Towers Catalog. There is a separate tutorial for using the catalog for books at Oklahoma City University.

You can search by Keywords, Author, Title or Subject.

You can select Saint Paul from the dropdown or you can search the entire catalog, which includes several institutions in KC area.

You can limit your search to specific types of material. Note, if you want to search for eBooks only, select Saint Paul as well, because there is no way for you to borrow eBooks that belong to a different library. Using eBooks is covered in another tutorial.

If you are not finding what you need in KC Towers, you can also Search MOBIUS, a wider catalog, and request an item. Again, you can choose to pick up at Saint Paul or another library if it is closer to where you live.

The screenshot shows the MOBIUS library search interface. At the top, there is a logo for MOBIUS LINKING LIBRARIES and a button that says "How do you use MOBIUS? Tell us your story!". Below the logo, a notice states: "MOBIUS requesting is now available between libraries that have resumed services. Please note that items may appear available that cannot yet be requested and that delivery times may be delayed due to quarantining of materials. At this time, requesting through our partner consortium, Prospector, is still unavailable. Click here for a list of MOBIUS libraries currently participating in borrowing and lending." Below the notice is a search bar containing the text "bible commentary psalms" and a play button icon. To the right of the search bar is a link for "My Book Cart (0 items)". Below the search bar, there is a link for "Did you mean: bible commentary jeremiah?". The search results are displayed as "Results 1 - 25 of 871 for bible commentary psalms" with a "Prospector" logo. The results are sorted by "Relevance | Date | Title | Author". On the left side, there is a "Refine by:" section with filters for "Found In" (Title: 293, Subject: 5), "Format" (Book/Journal: 641, eBooks: 210, Manuscript/Thesis: 10, Any: 7, Computer File: 2), and "Language" (English: 829, Latin: 35, Hebrew: 34, German: 22, French: 21). The main results list includes three items: "Psalms and Proverbs in two versions with commentary / produced for Moody monthly" (Book/Journal | 1973), "Eerdmans Commentary on the Bible [electronic resource] : Psalms / Prinsloo, Willem S" (eBooks | 2019), and "The Psalms songs of faith and praise : the Revised Grail Psalter with commentary and prayers / [Abbot] Gregory J. Polan, OSB" (Book/Journal | 2014). A red arrow points to the "Request it" button for the third item.
