POLICIES FOR PREPARING THE ANNUAL SECURITY REPORT

Saint Paul School of Theology prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report is available on our web site at www.spst.edu under “Campus Safety and Security.” This report is prepared in cooperation with the local law enforcement agencies surrounding our campuses. We gather information from Oklahoma City University (OCU) to ensure accuracy in reporting.

Campus crime, arrest and referral statistics include those reported by designated campus officials (campus security authorities), and the OCU Police. These statistics may also include crimes that have occurred in private residences or businesses and is not required by law.

The Annual Security Report (ASR) is published each year on or before October 1. When the report becomes available, an email notification is sent to all students, faculty, and staff members providing the web link to access the ASR. Copies of the report may also be obtained by contacting the Associate Dean of Student Affairs (ADSA). All prospective employees may obtain a copy from Human Resources (HR). Prospective students will receive notification at time of application.

Annual Security Report Responsibilities. Saint Paul School of Theology’s Associate Dean of Student Affairs is the Campus Security Authority (CSA), and is responsible, under the supervision of the Vice President for Academic Affairs and Dean (VPAAD/Clery Compliance Officer), for:

1. Oversight and coordinating the creation of the ASR.
2. Working with security personnel and local law enforcement officials in Oklahoma to compile the required crime statistics.
3. Maintenance of documents pertinent to the ASR including
 - a. All internal documentation required to compile the report.
 - b. A copy of original documentation provided by Oklahoma City University (who is responsible for maintaining the original document)
4. Ensuring that all crime statistics are properly reported to the Department of Education.

Sharon Betsworth 913-253-5018 sharon.betsworth@spst.edu

Chief Financial Officer and Chief Operating Officer (CFO/COO)/Director of Human Resources

Matthew Mills 913-253-5060 matthew.mills@spst.edu

Campus Security Authority (CSA):

Margaretta Narcisse, Associate Dean of Student Affairs (ADSA)
913-253-5097 margaretta.narcisse@spst.edu

Equity Compliance Officer and Title IX Coordinator (ECO)
Richard Liantonio 913-253-5036 richard.liantonio@spst.edu

VOLUNTARY CONFIDENTIAL REPORTING

The involvement of the entire campus community is needed in reporting any incidents or conditions considered a security risk in a timely manner to our security personnel. Reporting crimes can be voluntary and kept confidential. We ask that you make an accurate and prompt report to the police department, CSA, ECO (if applicable), and Oklahoma City University Police Department (OCU PD).

Victims or witnesses have the right not to provide a statement to the CSA, ECO, or OCU PD. If the victim or witness of a crime does not want to pursue action within the Seminary/University system or the criminal justice system, they may still want to consider making a confidential report. With explicit permission, the CSA can file a report on the details of the incident without revealing the person's identity. The purpose of a confidential report is to comply with the wish to keep the matter confidential, while taking steps to ensure the future safety of the person and others. With such information, SPST can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime regarding a location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

For Saint Paul to provide timely warning reports of Clery Act Crimes, the CSA will ensure all criminal offenses are reported to the following OCU PD personnel:

- Dexter Nelson, Chief of Police, OCU PD, 405-208-5001 email: danelson@okcu.edu

SECURITY OF AND ACCESS TO CAMPUS FACILITIES

Although Saint Paul School of Theology does not own the buildings in which we conduct our classes and administrative support work, our goal is to ensure a safe and secure campus environment for all students, employees, and visitors. SPST buildings are accessible to the public during normal building hours. Except for essential personnel and services, and others as designated, buildings are locked, and access is permitted only with proper authorization and identification.

Access to and security of facilities at OCU. For the safety of its students, faculty, staff and guests, Saint Paul School of Theology at Oklahoma seeks to maintain a closed campus and discourages trespassers. Students, faculty, and staff must always carry University identification cards and must present them to any University official upon request. Except for the Tom & Brenda McDaniel University Center, all University buildings are secured by midnight. For safety reasons, students are not to remain in University buildings after midnight, unless accompanied by a full-time University employee. While the University strives to maintain adequate evening lighting, individuals are discouraged from walking unaccompanied during the evening and late-night hours. A call to OCU PD dispatch for an escort will enhance individual safety. The Physical Plant supervises custodial services and maintains the buildings, grounds, and utility systems. University employees routinely inspect building door locking mechanisms, windows, and fire alarm systems. Burned out lights, broken doors, windows, and malfunctioning alarm systems are repaired as quickly as possible. University community members are encouraged to report maintenance problems, including lighting and elevator concerns, to 405-208-5382 or after hours 405-208-5383.

Residence Halls at Oklahoma City University are accessed by ID card and monitored for guests seeking access.

In order to protect the safety and welfare of students and employees of SPST, all persons on SPST designated space behaving in a suspicious or threatening manner will be asked to leave the campus. The OCU campus security is available to assist with this request.

LAW ENFORCEMENT AND JURISDICTION POLICY STATEMENTS

A. Law Enforcement Relationships and Jurisdiction

For Saint Paul School of Theology at Oklahoma, the OCU PD has statutory authority to conduct law enforcement activities on Oklahoma City University (OCU) property and in an area of concurrent jurisdiction with the Oklahoma City Police Department. The area of concurrent jurisdiction is from N.W. 23rd Street on the south to N.W. 30th Street on the north, and from Pennsylvania Avenue on the west to Douglas Avenue on the east. It also includes OCU-owned structures, including the University Manor Apartments at 1844 NW 23rd Street, not within the boundaries.

All incidents should be reported directly to the OCU PD. Students, staff, faculty, campus guests, and others are requested to cooperate fully with OCU police officers and report promptly any crime or suspicious activity of any nature to the OCU PD, as well as to the CSA and/or ECO (if applicable). All alleged criminal offenses are turned over to the OCU PD to investigate.

B. Authority to Arrest and Relationships

Saint Paul desires to maintain a secure and accessible campus for students, employees, and guests. SPST works closely with the OCU PD, which is commissioned by Oklahoma City University, and its officers are certified by the State of Oklahoma Council for Law Enforcement Education and Training (CLEET). OCU PD Officers are authorized to stop, question, and detain anyone behaving in a suspicious manner, and if appropriate, arrest persons engaged in criminal activity on any campus properties and the surrounding area. The OCU PD maintains regular contact with other local, state, and federal law enforcement agencies for the purpose of sharing information concerning known or suspected criminal activity.

C. Accurate and Prompt Reporting

Prompt and accurate reporting of criminal offenses aids in providing timely response and timely warning notices to the community when appropriate and assists in compiling accurate crime statistics. Should a victim be unable to report, though willing, the victim may request someone to report on his/her behalf. This should be designated in writing or by other verifiable means.

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents in an accurate and timely manner to the CSA, VPAAD, ECO, and OCU PD. OCU has designated a single number, **405-208-5911**, to be used for reporting all emergencies. Trained University dispatchers monitor this number 24 hours a day/365 days a year. OCU PD is comprised of 13 full-time officers commissioned by the University and state certified by the Oklahoma Council on Law Enforcement Education and Training (CLEET).

Any criminal act or emergency occurring on or in the vicinity of the OCU campus should be reported to the OCU PD either by phone, **405-208-5911**, or in person without delay. Additionally, blue emergency telephones

at outdoor locations around the campus provide a readily accessible means for directly contacting the OCU PD dispatcher during an emergency.

Students, faculty, staff, campus guests, and others are requested to cooperate fully with police officers. Failure to do so, making a false report, or obstructing an investigation may result in sanctions, fines, or other disciplinary action by the University or, if applicable, criminal prosecution.

D. Confidential Reporting – Pastoral and Professional Counselors

In certain instances, a crime victim may be reluctant to file a report fearing the process and/or loss of his/her anonymity. In such circumstances, crime victims are encouraged to consider making a confidential report to one of the designated Campus Security Authorities. At a minimum, crime victims will receive valuable counseling and referral information. Confidential reports are important because they provide valuable information that will enhance the safety of the community-at-large and provide a more accurate depiction of actual campus crime.

If a victim of a crime does not want to pursue action on campus or the criminal justice system, he/she may still want to consider making a confidential report. The CSA can file a report on the details of the incident without revealing the complainant's identity. The purpose of a confidential report is to comply with the complainant's wish to keep the matter confidential, while taking steps to ensure the future safety of the complainant and others. With such information, Saint Paul can keep an accurate record of the number of incidents involving students, determine if there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime's statistics for Saint Paul.

None of Saint Paul's employees meets the criteria of being a "Pastoral Counselor" or "Professional Counselor." Conversations will not be considered confidential counseling for the purposes of reporting crimes for annual disclosure.

MONITORING AND RECORDING OF CRIMINAL ACTIVITY

SPST relies on its close working relationships with the OCU PD to receive information about incidents on campus, as well as at non-campus or public property locations. All incidents reported to OCU PD are summarized and maintained in a daily crime log available for inspection, upon request, at OCU PD's main office. This information is also updated weekly on the OCU PD website in the Blotter section.

The CSA will actively investigate any crime information received concerning or involving a member of the campus community. If SPST is notified of a situation in which a campus community member is the victim of a crime, the President or Vice President for Academic Affairs and Dean may issue a timely warning detailing the incident and providing tips so that other community members may avoid similar incidents.

Saint Paul School of Theology student organizations do not maintain any off-campus locations.

POLICIES FOR TIMELY WARNINGS

Clery Act crimes will be reported to the Seminary community, by a community wide memorandum and or e-mail as soon as possible after the incident has occurred, generally within 24 to 48 hours.

1. A timely warning will be issued for any Clery Act crime that occurs at Saint Paul School of Theology on campus, public, or non-campus locations in the following circumstances:
 - a. The crime is reported to campus security authorities or local police agencies; and

- b. The crime is considered by the institution to represent a serious or continuing threat to students and employees.

Timely warnings may also be issued for non-Clery Act crimes that are deemed to pose a serious or continuing threat to the campus community.

2. The Oklahoma City University Police Department – or in some instances, other employees, students, visitors, or local law enforcement – may provide information about crimes that require a timely warning to the community. This information will be reported to the President or Vice president for academic Affairs and Dean in order to determine the need for a timely warning message and the portion of the community to which the message should be sent. If a situation arises, either on or off campus, that, in the judgment of the President or Vice president for academic Affairs and Dean, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued.
3. The President or Vice president for academic Affairs and Dean will then instruct the Chief Operating Officer or Executive Director of the Oklahoma Campus to issue a timely warning via email and text message that indicates the nature of the crime, the continuing danger to the campus community, and other such information that will ensure the safety and security of the campus community (such as warnings to lock vehicles or not to travel alone across a campus at night).

Occasionally, on the Oklahoma City University (OCU) campus, when information is necessary to aid in the prevention, detection, or investigation of crimes, this information may be distributed via flyers posted around campus, shared via campus e-mail, published in “*The Campus*” (OCU’s student newspaper), posted on the OCU PD website, or communicated by way of “Blue Alert” (OCU’s emergency announcement system) using email and text messaging. If a situation arises, whether on or off campus, that constitutes an ongoing or continuing threat, a “timely warning” will be issued at the discretion of the Chief of Police of the OCU PD.

EMERGENCY NOTIFICATION POLICY

This policy describes notification of campus community or particular segments of the community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees.

Emergency reports can be received in several ways: through a report to the CSA; from OCU; via local media or local authorities. In order to ensure immediate notification, potential emergencies should be reported to the President or Vice president for academic Affairs and Dean, who is given the authority to confirm the nature of the emergency, as well as the portion of the campus community requiring notification and/or response or evacuation. The President or Vice President for Academic Affairs and Dean will then instruct the Chief Operating Officer or Executive Director of the Oklahoma Campus to immediately send an e-mail and text message notification about the situation and the response to be taken.

The President or Vice President will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a complainant or to contain, respond to, or otherwise mitigate the emergency.

The persons responsible for initiating emergency notifications include:

- President
- Vice president for academic Affairs and Dean
- Executive Director of the Oklahoma Campus
- Chief Financial and Operations Officer

Saint Paul uses the School Messenger notification program to send, via text, time-critical messages to the user's cell phone and/or email. Students and employees receive immediate notice of class cancellations, campus closures, and campus emergencies. All students and community will receive an email copy of School Messenger messages via their Saint Paul email account automatically or may sign up for text messages on their cell phone. The School Messenger mass notifications is used for time-critical urgent messages issued by the Chief Operating Officer. On campus emergencies may also utilize immediate in-person notifications to evacuate or take other actions.

EMERGENCY DRILLS, TESTING, AND EVACUATION PROCEDURES

The emergency response and evacuation procedures, including School Messenger alert, will be tested at least twice per calendar year. The test may or may not be announced and will be followed by a campus community notice detailing emergency response and evacuation procedures. The CSA will schedule emergency testing for SPST in the fall and spring or summer sessions. The Executive Leadership Team will be notified of the scheduled testing. CSA will be responsible for observing and evaluating responses, including the functioning of the emergency notifications. The CSA will report results to the Executive Leadership Team for evaluation and revision of the system. Documentation will include a description of the exercise, the date, time and whether it was announced or unannounced. Documentation of the emergency testing and evaluation will be kept in the Dean of Students secure files on the SPST server.

Additionally, Oklahoma City University fire drills are initiated each semester by the OCU PD and supervised by the Oklahoma City Fire Department for all residence halls and campus classroom buildings at random. An all-campus emergency drill is held once each semester.

Periodically, emergency drills will be performed in each building. The Emergency Response Coordinator, the Chief of the OCU Police, and the OKC Fire Department will plan building evacuation drills. A list of drills will be maintained each year. Exact dates will be determined, and the appropriate personnel will be notified several days before the drill. OCU has adopted Universal Emergency Procedures and conducts the following drills:

- Evacuation (for use when conditions outside are safer than inside; fire)
- Reverse Evacuation (for use when conditions inside are safer than outside)
- Severe Weather Safe Area (for use in severe weather emergencies; tornadoes)
- Shelter in Place (for use in chemical spills, gas leaks)
- Lockdown (for use to protect building occupants from potential dangers in the building)
- Drop, Cover, and Hold (for use in earthquake, or other imminent danger to buildings or immediate surroundings)

PROGRAMS TO PREVENT DATING VIOLENCE, DOMESTIC VIOLENCE, SEXUAL ASSAULT, AND STALKING POLICY STATEMENTS

SPST conducts anti-harassment training as its primary prevention and awareness program utilizing self-paced webinars. This training is mandatory for all members of the Saint Paul community. The anti-harassment training will include, but not be limited to, the following:

- a. Prevention of sexual abuse, including the seminary's definition of "consent".
- b. Information related to Saint Paul's policies on anti-harassment, anti-discrimination, and anti-retaliation, including procedures for reporting violations.
- c. Information related to Saint Paul's policies on consensual romantic and sexual relationships, including potential consequences for violations of this policy.
- d. Procedures students or employees should follow if an offense of dating violence, domestic violence, sexual assault, or stalking occurs at any Saint Paul campus, public, or non-campus location.
- e. Procedures for campus disciplinary action in cases of an alleged offense of stalking or sexual, domestic, or dating violence, including a clear statement that:
 - 1) The complainant (an individual who is alleged to be the victim of conduct that could constitute sexual harassment) and the respondent (an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment) are entitled to the same opportunities to select an advisor of their choice to be present during the prescribed grievance process; and
 - 2) Both the complainant and the respondent must be informed of the outcome of any institutional hearing that is brought alleging a sexual offense.
- f. Sanctions that may be imposed on the respondent if found responsible for violations of sexual offenses not described in b. and c. above.
- g. Advising of where law enforcement agency information concerning registered sex offenders may be obtained.

Saint Paul School of Theology has zero tolerance for any prohibited behaviors or conduct and violators will be disciplined, up to and including expulsion or termination. Prohibited behaviors include dating violence, domestic violence, sexual assault, and stalking.

Following our initial training and awareness program for Violence Against Women Act (VAWA) crimes and sexual harassment and violence prevention, Saint Paul provides prevention information to the community at least twice a year in the weekly communication, the School Messenger, to deepen student and employee understanding.

Definitions

Consent is the affirmative, unambiguous, and voluntary agreement to engage in a specific sexual activity during a sexual encounter. Members of the Saint Paul community are expected to comply with the notion that "no means no" without exception. When in doubt, always err on the side of "no." Moreover, an individual who is incapacitated in some manner, whether physically or mentally, due to the effects of drugs or alcohol or for any other reason, or is asleep, or is placed under threat, coercion, duress, intimidation, or force cannot give consent. Silence or absence of resistance does not imply consent. The existence of a prior relationship or previous sexual activity does not constitute consent. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent.

Sexual harassment is unwelcome sexual advances, request for sexual favors, or other verbal or physical harassment of a sexual nature. **Sexual assault** is actual or attempted sexual contact with another person without that person's consent. This includes, but is not limited to:

- a. Intentional touching of another person's intimate parts without that person's consent,

- b. Other intentional sexual contact with another person without that person's consent,
- c. Coercing, forcing, or attempting to coerce or force a person to touch another person's intimate parts without that person's consent, or
- d. Rape, which is penetration, no matter how slight, of (1) the vagina or anus of a person by any body part of another person or by an object, or (2) the mouth of a person by a sex organ or another person, without that person's consent.

Retaliation is any adverse action that someone takes against other individual(s) because he or she filed a complaint about discrimination, harassment or sexual harassment.

Intimidation means to frighten or threaten someone, usually in order to persuade them to do something that someone wants them to do.

Dating violence means violence committed by a person

- a. who is or has been in a social relationship of a romantic or intimate nature with the complainant; and
- b. where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - i. The length of the relationship,
 - ii. The type of relationship, and
 - iii. The frequency of interaction between the persons involved in the relationship.

It also includes controlling, abusive, and aggressive behavior in a romantic relationship.

Domestic violence (domestic abuse, spousal abuse, intimate partner violence, battery) includes violence and emotional abusive behavior used by one person in a relationship to control another. The violence may be criminal and include physical assault, sexual abuse, stalking, emotional/verbal, psychological and financial abuse or intimidation.

Stalking is unwanted or obsessive attention by an individual or group toward another person and may include following the complainant in person or monitoring them. It is engaging in a course of conduct directed at a specific person that could cause a reasonable person to:

- a. Fear for his or her safety or the safety of others; and/or
- b. Suffer substantial emotional distress.

Bystander Intervention

Bystanders play a critical role in the prevention of sexual and relationship violence. They are individuals who observe or witness violence. They are not directly involved but have the choice to intervene. SPST wants to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. If you or someone else is in immediate danger dial 911. The following is a list of some ways to be an active bystander:

- Watch out for friends and fellow students/ employees. If you see someone who looks like they could be in trouble, ask if they are okay.
- Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- Speak up when someone discusses plans to take advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- Refer people to on or off campus resources for support in health, counseling, or legal assistance.
- Encourage complainant and/or personally report the event to the Equity Compliance Officer (ECO).

(Bystander intervention strategies adapted from Stanford University)

Information on risk reduction

With no intent to blame the complainant and recognizing that only rapists are responsible for rape, the following are strategies to reduce one's risk of sexual assault or harassment (whether on or off campus):

- Choose open, well-lit, and well-traveled areas.
- Travel with a friend or in a group.
- Avoid dark, vacant, or deserted areas.
- When walking, you should walk facing traffic.
- Be cautious of drivers who stop to talk to you.
- Dress in clothes and shoes that won't hamper movement.
- If you sense trouble, move away from the potential threat if possible.
- Join any group of people nearby or cross the street and increase your pace.
- If a threatening situation is imminent and people are close by, yell, scream, or make a commotion in any way you can to get their attention. Remember: if you yell "help," people tend to leave you and go to get help. If you yell "fire," people will often come towards you.
- Be alert and aware of your surroundings! Giving the appearance of not paying attention and not being alert is what offenders look for in a victim.
- Never hitchhike!
- Always tell someone where you'll be and what time you are going to return.
- Do not wear headphones while walking or jogging.
- Do not read while walking or standing on the street.
- Do not leave your drink unattended.
- Do not accept drinks from people you don't know or trust.
- If you suspect someone has been drugged, contact law enforcement immediately.
- Be true to yourself, don't feel obligated to do anything you don't want to do.
- **TRUST YOUR INSTINCTS.** If something feels wrong, something probably is wrong.

(Adapted from Oklahoma City University 2014 ASR)

PROCEDURES TO FOLLOW IF A CRIME OF SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING HAS OCCURRED

Any student or employee who has a question, concern, or complaint of sexual assault, domestic violence, dating violence, or stalking is encouraged to bring the matter to the immediate attention of the Associate Dean of Student Affairs, Equity Compliance Officer, or the Vice president for academic Affairs and Dean. Any Saint Paul School

of Theology official who has actual knowledge of any of these offenses are required to make immediate and accurate reports of the crime to the ECO/Title IX Coordinator.

If a complainant is unwilling or unable to make a report on the complainant's own behalf, individuals aware of the crime should contact the police to make a report. At the complainant's request, SPST will assist the complainant in notifying the campus security, appropriate police department, and/or an appropriate victim services agency in the area. The student or employee should also be made aware that he or she may decline to notify such authorities. Where applicable, the complainant will also be made aware of the rights of victims regarding orders of protection, no contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court and will be assisted by a CSA or the ECO in requesting these services, if needed.

If you are a victim of sexual assault, domestic violence, dating violence, or stalking:

- Get to a safe place
- Get medical treatment and a forensic exam
- Call the police and/or file a report with CSA
- In order to preserve evidence, even if you choose not to file a police report:
 - Do not shower
 - Do not eat, drink, or brush your teeth
 - Wear or bring the clothes you wore at the time of the assault/act of violence to the hospital
 - Try not to use the restroom until you are at the hospital

If you have any questions about what to do, call the Oklahoma City YWCA Rape Hotline at 405-943-7273. For more information about sexual assault, visit the Oklahoma Coalition Against Domestic Violence and Sexual Assault website at <http://ocadvsa.org>.

The OCU Student Campus Health Clinic, OCU Police Department, and University Counseling Center are all potential points of contact for a student suffering the effects of sexual assault.

There may be consequences to waiting to file a police report. Early reports may improve preparation for prosecution. Filing a police report immediately following the incident does not force the complainant to file charges and prosecute. However, it does aid in the preservation of valuable evidence if the complainant decides to pursue charges later. The complainant may decline to notify campus police and authorities.

CONFIDENTIALITY

If someone is the victim of a crime and does not want to pursue action within the Seminary/University system or the criminal justice system, they may still want to consider making a confidential report. With explicit permission, the CSA can file a report on the details of the incident without revealing the person's identity. The purpose of a confidential report is to comply with the wish to keep the matter confidential, while taking steps to ensure the future safety of the person and others. With such information, SPST can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

To the extent permissible by law, SPST will not disclose any identifying information about the complainant or other necessary parties in any publicly available records without the prior written consent of the complainant or party. SPST will maintain as confidential any accommodations or protective measures provided to the complainant, to the extent that maintaining such confidentiality will not interfere with the ability of SPST to provide such accommodations or protective measures.

WRITTEN NOTIFICATION

After an incident has occurred, SPST will provide written notification to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available to victims, offered by SPST and in the community. Some of these services are described in the *Student Handbook*. To request further information on these services, students and employees are encouraged to contact the CSA or ECO.

Saint Paul will also notify the complainant in writing of the available options and assistance to request protective measures and/or appropriate and reasonable changes to the complainant's academic (such as changing a class schedule), living, transportation, and/or working situations after an alleged incident of sexual, domestic or dating violence, or stalking. These accommodations or protective measures are available if the complainant requests them and if they are reasonably available, regardless of whether the complainant chooses to report the crime to the campus security or local law enforcement.

Whether the dating violence, domestic violence, sexual assault, or staking occurred on or off-campus, SPST will provide the student or employee a written explanation of his/her rights and options.

Saint Paul takes allegations of sexual assault, domestic violence, dating violence, and stalking very seriously. Such allegations will be investigated by the Equity Compliance Officer or his/her designee through a fair and impartial disciplinary proceeding. Disciplinary actions may include up to expulsion or termination from the Seminary, as well as criminal prosecution.

Students or employees in need of support following an incident are encouraged to contact local advocacy agency and/or the ADSA or ECO.

REGISTERED SEX OFFENDER POLICY STATEMENT

The Campus Sex Crimes Prevention Act of 2000 requires SPST to provide to students and employees information concerning registered sex offenders. This information can be accessed through the Oklahoma Department of Corrections at <http://docapp8.doc.state.ok.us/>. Students or employees of Saint Paul who are registered sex offenders are required to notify the Associate Dean of Student Affairs of their status.

DISCIPLINARY PROCEDURES – POLICY STATEMENTS

Saint Paul is committed to investigating and resolving concerns of behavior or conduct prohibited by its policies as confidentially and as quickly as practicable for an effective investigation and resolution of the complaint. The length, duration, and precise details of each investigation will necessarily depend on the particular circumstances under investigation. The complaints that might be investigated by this procedure include, but are not limited to, dating violence, domestic violence, sexual assault, and stalking.

Student disciplinary proceedings will take the following steps:

- Any person who has a complaint against a student is encouraged to bring the matter to the immediate attention of the Associate Dean of Student Affairs, Vice President for Academic Affairs and Dean, or directly to the ECO/Title IX Coordinator. Any Saint Paul School of Theology official who has actual knowledge of any complaint of stalking or sexual, domestic, or dating violence should contact the ECO/Title IX Coordinator immediately.
- Within 48 hours of the receipt of a formal complaint the Vice President for Academic Affairs and Dean (for non-sexual offenses) and the ECO/Title IX Coordinator (for sexual, domestic, and dating violence,

and stalking-related offences) will appoint an Investigator, charged with completing a prompt, fair, and impartial gathering of evidence. This investigation may include interviews and written statements, as well as other pertinent materials, including text messages, photos, videos, or other social media evidence. The investigation will be completed in a timely manner dependent upon the amount of evidence and number of witnesses and normally should be completed within two weeks.

- The ECO/Title IX Coordinator will provide supportive measures to the complainant and implement these supportive measures at the request of the complainant.
- Investigations, under the purview of the ECO/Title IX Coordinator, will be conducted by a trained Investigator who, at minimum, receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking, as well as how to conduct an investigation. The Investigator will communicate only with those who must know of the complaint and with those who may provide facts and details about the complaint. Investigators are charged with compiling all evidence submitted and may include interviewing witnesses to gather and review all evidence provided. The Investigator will formalize their findings in a confidential written report that will be provided to the assigned Decision-maker for the grievance proceeding. The complainant and the respondent will be provided with the same opportunities to have an advisor of their choice present during the prescribed grievance process. Such advisors may speak only at the request of the Decision-maker. If the complainant or respondent does not have a chosen advisor Saint Paul will provide one for them.
- Judgments will be based upon the preponderance of evidence, suggesting the available relevant evidence points to a greater probability that the offense did or did not occur. These findings provided by the Decision-maker will be forwarded to the VPAAD (non-sexual offenses) or ECO/Title IX Coordinator (sexual offenses) for action. Final disposition should be made within 30 days of the complaint.
- All complaints will be treated confidentially to the extent practicable for effective resolution. No person will suffer direct employment or educational consequences or retaliation as a result of making a good faith report or taking part in the investigation of a complaint. An individual who knowingly alleges a false or frivolous complaint against another will be subject to the full range of corrective actions, up to and including expulsion and/or termination from the Seminary.
- Saint Paul will provide, as reasonably possible, supportive measures to a student or employee. Supportive measures can include: counseling, extensions of deadlines or other course-related adjustments, modification of work or class schedules, campus escort services, mutual restrictions on contact between parties, changes in work/housing locations, leaves of absence, and increased security and monitoring of certain areas of campus.
- Saint Paul will simultaneously inform the complainant and the respondent, in writing, of the result of any grievance proceeding that arises from an allegation of dating violence, domestic violence, sexual assault, or stalking. Both parties will also be notified in writing of their right to appeal the outcome of the grievance proceeding, as well as the procedures for doing so. Appeals related to the findings or actions taken may be made to the ECO/Title IX Coordinator. Such appeals must be made within seven days of receiving the notification. Both parties shall receive simultaneous written notice of any change to the results, as well as when such results become final.

DISCLOSURE OF RESULTS OF DISCIPLINARY PROCEEDINGS POLICY STATEMENT

Upon request, SPST will disclose the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of any crime of violence or non-forcible sex offence to the alleged victim

or next of kin, if the victim is deceased. This request must be made in writing to the Equity Compliance Officer (ECO) or Vice President for Academic Affairs and Dean (VPAAD).

SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS POLICY STATEMENT

Saint Paul School of Theology is committed to ensure a safe and secure campus environment for all students, employees, and visitors. Safety awareness begins with new student orientation and employee notification, where initial information is provided to new members of the community. This training includes personal safety and crime prevention awareness. Sexual assault prevention training is included in the anti-harassment training provided and required by the Seminary yearly to all students and employees.

Once a year, Saint Paul will distribute community-wide reminders related to security awareness.

DRUG, ALCOHOL, AND SUBSTANCE ABUSE POLICY STATEMENTS

Saint Paul School of Theology forbids the unlawful distribution, sale, possession, or use of controlled substances, illegal or illicit drugs, or alcohol by students or employees on Seminary property, as a part of Seminary activities, or in any way related to Seminary employment or program. Alcohol is excluded from any official function of the Seminary.

Each employee of the Seminary, as a condition of employment, will agree to abide by the provisions of this regulation and all applicable conditions of the Drug-Free Schools and Communities Act Amendments of 1989, and will notify the institution of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.

Notification to State and Federal Authorities. Saint Paul may refer individuals -- whether students, employees, or visitors -- to applicable local, state, or federal law enforcement authorities for prosecution. Any student who is convicted under a criminal drug statute for a violation occurring on campus must notify the Associate Dean of Student Affairs within five working days of the conviction. Within ten working days, Saint Paul School of Theology is required to notify the Department of Education of the disciplinary action. Within thirty days, Saint Paul will take appropriate disciplinary action.

A student, who is convicted of a state or federal offense involving the possession or sale of an illegal drug that occurred while the student is enrolled in school and receiving Title IV aid, is not eligible for Title IV funds. A borrower's eligibility is based on the student's self-certification on the Free Application for Federal Student Aid (FAFSA). Convictions that are reversed, set aside or removed from the student's record, or a determination arising from a juvenile court proceeding do not affect eligibility and do not need to be reported by the student.

Any employee convicted under a criminal drug statute for a violation occurring on campus must notify HR within five working days of the conviction. Within thirty days, Saint Paul will take appropriate disciplinary action.

Applicable Legal Sanctions. Apart and distinct from Seminary policies, employees and students who engage in the unlawful use, possession, or distribution of controlled substances, illicit or illegal drugs, or alcohol are subject to sanctions under local and municipal ordinances, Oklahoma statutes, the United States code, or other applicable local, state, and federal laws. Such sanctions could include, without limitation, fines and imprisonment.

Drug and Alcohol Abuse Prevention Program. At least once a year, a community conversation will be held to address drug and alcohol abuse prevention. At various times, the Seminary will draw on the resources of Oklahoma City University or the larger church community to offer programming related to drug and alcohol abuse prevention and awareness.

MISSING STUDENT NOTIFICATION POLICY

Although Saint Paul does not have on-campus housing facilities, the following policy applies for those SPST students residing (through collaborative agreements) at Oklahoma City University:

1. If a member of the Saint Paul School of Theology community has reason to believe that a student who resides in on-campus housing at Oklahoma City University is missing more than 24 hours, he or she should immediately notify the Associate Dean of Student Affairs, who will immediately contact the appropriate law enforcement agencies to generate a missing person report and initiate an investigation.
2. In addition to the general emergency contact in (1) above, students who reside in on-campus housing have the option to identify to the Associate Dean of Student Affairs an individual to be contacted in the event the student is determined to be missing for more than 24 hours. When providing contact information, it will be treated as confidential and used only for the purpose of making a missing student notification. If a student has identified such an individual, the Associate Dean will notify the designated person no later than 24 hours after the student is determined to be missing. A student's confidential contact information will be accessible only by authorized campus officials and law enforcement in the course of the investigation. In the rare instance that a Saint Paul student is under 18 years of age and not emancipated, a legal guardian must also be notified within 24 hours.

ANNUAL FIRE SAFETY REPORT

The Campus Fire Safety Right-to-Know Act is an amendment to the Higher Education Opportunity Act. This amendment serves to increase campus fire safety awareness across the nation, providing students and their families with the fire safety records of colleges and universities. Signed into law on August 14, 2008, this amendment requires post-secondary institutions to publish fire safety information and statistics, much as is already done with other crime statistics, such as campus theft and assault.

Additionally, the National Student Loan Program requires all eligible Title IV institutions that maintain on-campus student housing facilities to publish an annual fire safety report that contains information about campus fire safety practices and standards of the institution. The statistics include the number, cause, related injuries and deaths, and property damages associated with each fire. In addition, each institution is required to report fire safety information to the U.S. Department of Education.

Although Saint Paul School of Theology does not have on-campus housing, Saint Paul students may choose to reside in dormitories or apartments owned by Oklahoma City University (OCU). OCU has fire safety policies and requirements that are made available to Saint Paul students through their housing accommodations. These fire safety policies are detailed below:

University-Owned/Controlled Student Housing

Oklahoma City University operates 6 residence halls and 2 apartment complexes, which are all covered by a fire alarm system that is monitored 24 hours per day, seven days per week.

- **Walker Hall** – central fire panel with auto dialer reporting to the 24-hour staffed campus police department, heat and smoke sensors, 2nd floor sprinklers, each level has fire extinguishers, audible and visual fire alarms, air handler automatic shut-off.
- **United Methodist Hall** – central fire panel with auto dialer, whole building sprinklers, fire extinguishers on every floor, heat/smoke combination sensors, automatic fire doors.
- **Banning Hall** – Central fire panel with auto dialer, smoke and heat detectors, audible alarm, each level has fire extinguishers.
- **Smith Hall** – Central fire panel with auto dialer, smoke and heat detectors, audible alarm, each level has fire extinguishers.
- **Draper Hall** – Central fire panel with auto dialer, smoke and heat detectors, audible alarm, each level has fire extinguishers.
- **Harris Hall** – Central fire panel with auto dialer, smoke and heat detectors, audible alarm, each level has fire extinguishers.
- **Cokesbury Courts** – Sprinklers, smoke detectors, audible alarm, each level has fire extinguishers.

All OCU PD officers and residence hall staff receive fire training annually. In addition, a program that covers emergency and evacuation procedures is reviewed regularly with the occupants and staff of each residence hall. Fire drills are conducted twice each year in accordance with the National Fire Protection Life Safety Code.

Specific Fire Prevention-Related Policies

It is the policy of Oklahoma City University to provide a campus environment that is free from potential fire hazards. Residence hall regulations prohibit the possession and use of portable heaters, hot plates, candles, and incense. Any open burning must be approved and supervised by the OCU PD.

Specific Fire Safety and Evacuation Procedures

Fire drills are initiated each semester by the OCU Police Department and/or the OCU Office of Emergency Management. The drills are supervised by the Oklahoma City Fire Department for all residence halls and campus classroom buildings at random.

Periodically, emergency drills will be performed in each building. The Emergency Response Coordinator, the Chief of the OCU Police, and the OKC Fire Department plan building evacuation drills. A list of drills is maintained each year. Exact dates are determined, and the appropriate personnel will be notified several days before the drill. Oklahoma City University has adopted Universal Emergency Procedures and conducts the following drills:

- Evacuation (for use when conditions outside are safer than inside, fire)
- Reverse Evacuation (for use when conditions inside are safer than outside)
- Severe Weather Safe Area (for use in severe weather emergencies; tornadoes)
- Shelter in Place (for use in chemical spills, gas leaks)
- Lockdown (for use to protect building occupants from potential dangers in the building)
- Drop, Cover, and Hold (for use in earthquake, or other imminent danger to buildings or immediate surroundings)

Emergency Medical Response

A medical emergency is defined as sudden onset of loss of consciousness, shortness of breath, acute change in behavior such as confusion, uncontrolled bleeding, acute pain, or complaint of chest pain. If any person on campus is complaining of any of these, call 911 from an on-campus phone (or 405-208-5911 by cell) immediately. Do not hesitate. Act, even if in doubt. Start CPR if the person is not breathing and has no pulse. Have someone get the nearest AED immediately. The OCU Police Department will come to your location to assist you and help

local emergency responders find your location. Response time for EMSA or Oklahoma City Fire Department may be as little as 3 to 5 minutes.

It is free for community emergency responders to come to the University. There is no charge or penalty to the University. Ambulance personnel will provide minor injury care at no charge if the patient is not experiencing a medical emergency. If the person is unconscious, having difficulty breathing or chest pain, is bleeding profusely, is in severe pain, or is medically unstable, the paramedics will assess, stabilize, and transport the person to a local hospital. The patient is charged only if transported to a hospital.
