

## Army Chaplain

Greetings,

I hope you are doing well. My name is Staff Sergeant (SSG) Miles Davis, and I serve as an Army Chaplain Recruiter at the South-Central Chaplain Recruiting Station in Grand Prairie, TX.

I am currently seeking qualified candidates interested in serving as Army Chaplains, either full-time or part-time. To be eligible, individuals must have a Master of Divinity (M.Div.) with a minimum of 72 credit hours. For those still pursuing their degree, we offer the Chaplain Candidate Program (CCP), which allows up to six years to complete the M.Div. while gaining valuable ministry experience.

Referrals are essential in helping me connect with outstanding ministry professionals who can serve our Soldiers, Families, and Department of Defense Civilians. If you know of any individuals who might be a good fit for this unique and rewarding calling, I would greatly appreciate your assistance in sharing my information with them.

Thank you for your time and support. I look forward to hearing from you.
